To

Secretary to Government of Mysore,
Development Departments, Bangalore.

Sir,

With reference to your letter No.D.2984/C.S.51-29-2 dated 17-9-1929 forwarding for remarks the representation that some one may be deputed to Western Countries for studying Agricultural Co-operation, I have the honour to state that for the development of Agricultural Co-operation, particularly for the marketting of Agricultural produce, a study of the Western and American methods will surely be advantageous . Government have, I understand, deputed Mr.H.V.Venkatasubbayya, M.A.,for the study of Agricultural, Industrial and Commercial finance and Banking methods in England. The question of deputing one solely for Agricultural Co-operation with special reference to the marketting of Agricultural produce may be favourably considered by Government at the earliest opportunity.

I have the honour to be,
Sir,
Your most obedient servant,

K H Ramayya

Registrar.
